## Heer, U Is My Voëlvlug Na Vryheid

**1 = 96**

C                    Am                    Dm                    G<sup>7/B</sup>                    C                    Am

Heer, U is my voëlvlug na vryheid, in u na-by-heid  
U ver-sterk my daag-lik, o He-re; ek gee my le-we  
kruip ek weg. U be-skerm my: In my be-noud-heid  
in u hand. Ek be-sing die lief-de en trou-waar -

**4**                    G<sup>7(sus4)</sup>                    G<sup>7</sup>                    C                    Am                    Dm                    G<sup>7/B</sup>

is                    u                    ge-trou-heid                    on-be-perk.  
mee                    U                    my vas-hou                    heel my le-we lank.

**7**                    Em                    Am                    1. Dm                    Dm/G                    G<sup>7</sup>                    2. Dm                    Dm/G                    G<sup>7</sup>                    C

is u ge-trou-heid on-be-perk.  
mee U my vas-hou heel my le-we lank.
